REPORT OF THE COLUMBIA INSTITUTION FOR THE DEAF.

COLUMBIA INSTITUTION FOR THE DEAF,

Kendall Green, Washington, D. C., September 23, 1912.

Sir: The number of pupils and students remaining in the institution July 1, 1911, was 98; admitted during the year, 38; admitted for the school year 1912–13, 41; total, 172 (90 males, 82 females). From July 1, 1911, to July 1, 1912, there were under instruction 68 males and 62 females, a total of 130, of whom 85 have been in the collegiate department, representing 27 States, the District of Columbia, and Canada, and 45 in the primary department. Of these, 36 were admitted as beneficiaries of the District of Columbia. During the fiscal year 83 were discharged from the institution by graduation and otherwise.

A list of the names of students and pupils who have been under instruction in this institution since July 1, 1911, will be found appended to this report.

HEALTH.

Excellent health has prevailed during the year among nearly all the students and pupils. Six of the children of the primary department were operated upon for the removal of adenoids and enlarged tonsils, by Dr. Donnelly. The benefits of the operations have been marked.

A large number of the new pupils were carefully examined on entrance to discover serious physical disturbances. All new pupils will be examined during the present year.

All employees engaged in the institution dairy work were carefully examined and found in excellent health.

CHANGES IN THE CORPS OF OFFICERS AND TEACHERS.

Dr. D. Kerfoot Shute, for more than 20 years physician of the institution, retired December 31, 1911, to devote himself to special practice. His services as eye specialist have been retained by the institution. The position of physician has been filled by the appointment of Dr. H. H. Donnelly.

Mr. Albert F. Adams, for many years instructor in gymnastics, has retired, and Mr. William H. Arras, a graduate of Gallaudet College of last June, has been appointed to fill the position of physical director established by the board of directors.

In the Kendall School, Miss Elizabeth Palmer, of the North Carolina School for the Deaf, has been appointed instructor to fill the
position made vacant by the resignation of Miss Taliaferro and temporarily filled by Miss Winifred Northrop. Miss Ida M. Parr, a graduate of the Oswego Manual Training School, has been made instructor of art and manual training in place of Miss Gertrude L. Dunn, who resigned to accept the position of supervising teacher in the Elizabeth public schools.

Miss Adelaide Waring is succeeded by Miss Agnes Suman as special teacher of cooking.

**COURSE OF INSTRUCTION.**

The course of instruction was carried out as last reported, with the following additions:

Dairy work and gardening, practical instruction under Mr. Harley D. Drake; floriculture, under Mr. E. D. Mangum; library cataloguing and the science of living, under Miss Helen Northrop. These optional courses interested a considerable number of the students of the college, and will be offered again during the present year.

No educational institution in this vicinity can add to its course good instruction in dairying and gardening with less expense or more profit than ours.

With a modern dairy and farm of over 30 acres already in operation, and with an excellent chemical laboratory where tests of milk, soils, and fertilizers can be made, an additional instructor and a small amount of equipment will provide for the instruction of 15 or 20 young people in agriculture. This is a field in which the deaf are under very little handicap, and in which a number of our graduates have already made marked success. It is hoped that the small sum of money necessary to extend this agricultural training in our institution will be granted for the next fiscal year and thereafter.

**LECTURES.**

The following special lectures have been delivered during the year:

Some Important Irrigation Projects in the West, by President Hall.
Primitive Man, by Vice President Fay.

ESTIMATES FOR THE FISCAL YEAR ENDING JUNE 30, 1914.

The following estimates for the fiscal year ending June 30, 1914, have already been submitted:

For the support of the institution, including salaries and incidental expenses, for books and illustrative apparatus, and for general repairs and improvements, $81,900.

For repairs to the buildings of the institution, including plumbing and steam fitting, and for repairs to pavements and roadways within the grounds, $10,000.

For the removal of the college women's dormitory and the construction, equipment, and furnishing of a new dormitory to replace it, and for necessary repairs to walks and grading of grounds adjacent to said dormitory, $85,000.

For special repairs and improvements in the lighting, heating, and power plant and system, $25,000.

These last improvements would include the installation of the vacuum system of heating; wiring buildings now using gas, installation of steam cookers in main kitchen, new engines, mechanical stokers, etc. They would mean a saving of at least $1,000 per year in cost of fuel and much more efficient heating and lighting in our institution, according to the estimate of a competent engineer.

SURVEY OF GROUNDS.

During the past spring an official survey and plat of the grounds of the institution were made by the force of the surveyor of the District of Columbia, and 12 stones were set at important corners and points on the boundary line. The west line of West Virginia Avenue was definitely given as a boundary of the southeastern portion of the grounds. The area given by the official survey is slightly over 103 acres. The grade of West Virginia Avenue, as already decided, is considerably above that of our grounds adjacent, making advisable in the near future the filling in of probably 50,000 to 60,000 cubic yards of material to bring this portion of the grounds up to a proper grade.

INVENTORY OF PROPERTY.

An inventory of all the movable property of the institution, furniture, stores, tools, equipment, etc., and a catalogue of the library are nearing completion. The inventory will be made annually hereafter.
OCCUPATIONS OF GRADUATES.

An investigation of the occupations of the 117 young men and women who have received bachelor's degrees from our advanced department, Gallaudet College, during the past 12 years, shows the following interesting result:

This table, it is believed, answers at once any question of the benefit of the higher education given to deaf young people in our institution.

It would be hardly possible for these young people to succeed in the civil service or as ministers or teachers without the education received from this institution. A number of the young ladies reported as married have spent a number of years as successful teachers before marriage.

Besides these 117 graduates, there has been a considerably larger number of young people during this 12-year period who have received the benefit of higher education for one or more years in our college and have been thus made happier and more useful citizens.

MEETING OF ORAL TEACHERS.

A meeting of the Association to Promote the Teaching of Speech to the Deaf was held in the city of Providence in the buildings of the Rhode Island School for the Deaf from June 27 to July 2. A number of interesting papers were presented.

Our institution was represented by the president, Dr. Fay, Miss Jameson, Mr. Steed, and Miss Fay.

INTERNATIONAL CONGRESS OF THE DEAF.

The two hundredth anniversary of the birth of the Abbé de l'Épée, the real founder of public education of the deaf, was celebrated in Paris during August by an international congress of the deaf.

Our institution was represented by Dr. Edward Miner Gallaudet, formerly president, and now a director of the institution, who was invited to read a paper before the Congress.

Dr. T. F. Fox, one of the American delegates, a graduate of Gallaudet College, received a decoration from the French Government, and Dr. Gallaudet was made a chevalier of the Legion of Honor in recognition of his great services in the education of the deaf.

On the closing day of the term, June 19, degrees were conferred in accordance with the recommendations of presentation day upon all the candidates who had complied with the requirements of the faculty, with the following exceptions:

Having made up all conditions, Misses Jensen and Froelich were granted the degree of bachelor of arts instead of bachelor of letters. Having made up necessary requirements, Mr. Ferdinand Schaefer was granted the degree of bachelor of philosophy instead of bachelor of letters.

Miss Petra Theodora Fandrem was granted her degree in September.

All of which is respectfully submitted.

REGULATIONS.

I. The academic year is divided into three terms, the first beginning on the Thursday before the last Thursday in September, and closing on the 21st of December; the second beginning the 2nd of January and closing the last of March; the third beginning the 1st of April and closing the Wednesday before the last Wednesday in June.

II. The vacations are from the 24th of December to the 24th of January and from the Wednesday before the last Wednesday in June to the Thursday before the last Thursday in September.

III. There are holidays at Thanksgiving, Washington's Birthday, Easter, and Decoration Day.

IV. The pupils may visit their homes during the regular vacations and at the above-named holidays, but at no other time unless for some special urgent reason, and then only by permission of the president.

V. The bills for the maintenance and tuition of pupils supported by their friends must be paid semiannually in advance.
VI. The charge for pay pupils is $350 per annum. This sum covers all expenses in the primary department except clothing, and all in the college except clothing and books and extraordinary medical attention.

VII. All deaf mutes of teachable age, of good mental capacity, and properly belonging to the District of Columbia, are received without charge. To students from the States and Territories who have not the means of defraying all the expenses of the college course the board of directors renders such assistance as circumstances seem to require, so far as the means at its disposal will allow.

VIII. It is expected that the friends of the pupils will provide them with clothing, and it is important that upon entering or returning to the institution they should be supplied with a sufficient amount for an entire year. All clothing should be plainly marked with the owner’s name.

IX. All letters concerning pupils or applications for admission should be addressed to the president.

X. The institution is open to visitors during term time on Thursdays only between the hours of 9 a.m. and 5 p.m. Visitors are admitted to chapel services on Sunday afternoons at 3 o’clock.
